

The image displays 18 distinct dot patterns, organized into two rows. Each pattern is a unique arrangement of black dots on a white background, representing a binary code. The patterns are as follows:

- Row 1 (10 patterns):
 - Pattern 1: 10 dots arranged in a 2x5 grid.
 - Pattern 2: 10 dots arranged in a 2x5 grid.
 - Pattern 3: 10 dots arranged in a 2x5 grid.
 - Pattern 4: 10 dots arranged in a 2x5 grid.
 - Pattern 5: 10 dots arranged in a 2x5 grid.
 - Pattern 6: 10 dots arranged in a 2x5 grid.
 - Pattern 7: 10 dots arranged in a 2x5 grid.
 - Pattern 8: 10 dots arranged in a 2x5 grid.
 - Pattern 9: 10 dots arranged in a 2x5 grid.
 - Pattern 10: 10 dots arranged in a 2x5 grid.
- Row 2 (8 patterns):
 - Pattern 11: 10 dots arranged in a 2x5 grid.
 - Pattern 12: 10 dots arranged in a 2x5 grid.
 - Pattern 13: 10 dots arranged in a 2x5 grid.
 - Pattern 14: 10 dots arranged in a 2x5 grid.
 - Pattern 15: 10 dots arranged in a 2x5 grid.
 - Pattern 16: 10 dots arranged in a 2x5 grid.
 - Pattern 17: 10 dots arranged in a 2x5 grid.
 - Pattern 18: 10 dots arranged in a 2x5 grid.
