

A 10x10 grid of 100 small clusters of black dots. Each cluster represents a different number from 0 to 99. The clusters are arranged in a grid that visually represents the multiplication table 100 x 100 = 10,000. The numbers are represented by the following patterns of dots:

- 0: A single dot in the center.
- 1: A single dot in the top-left corner.
- 2: Two dots in a horizontal line.
- 3: Three dots in a horizontal line.
- 4: Four dots in a 2x2 square.
- 5: Five dots in a cross shape.
- 6: Six dots in a horizontal line with one dot below the center.
- 7: Seven dots in a horizontal line with two dots below the center.
- 8: Eight dots in a horizontal line with three dots below the center.
- 9: Nine dots in a horizontal line with four dots below the center.
- 10: Ten dots in a horizontal line.
- 11: Eleven dots in a horizontal line with one dot above the center.
- 12: Twelve dots in a horizontal line with two dots above the center.
- 13: Thirteen dots in a horizontal line with three dots above the center.
- 14: Fourteen dots in a horizontal line with four dots above the center.
- 15: Fifteen dots in a horizontal line with five dots above the center.
- 16: Sixteen dots in a horizontal line with six dots above the center.
- 17: Seventeen dots in a horizontal line with seven dots above the center.
- 18: Eighteen dots in a horizontal line with eight dots above the center.
- 19: Nineteen dots in a horizontal line with nine dots above the center.
- 20: Twenty dots in a horizontal line with one dot below the center.
- 21: Twenty-one dots in a horizontal line with two dots below the center.
- 22: Twenty-two dots in a horizontal line with three dots below the center.
- 23: Twenty-three dots in a horizontal line with four dots below the center.
- 24: Twenty-four dots in a horizontal line with five dots below the center.
- 25: Twenty-five dots in a horizontal line with six dots below the center.
- 26: Twenty-six dots in a horizontal line with seven dots below the center.
- 27: Twenty-seven dots in a horizontal line with eight dots below the center.
- 28: Twenty-eight dots in a horizontal line with nine dots below the center.
- 29: Twenty-nine dots in a horizontal line with ten dots below the center.
- 30: Thirty dots in a horizontal line with one dot above the center.
- 31: Thirty-one dots in a horizontal line with two dots above the center.
- 32: Thirty-two dots in a horizontal line with three dots above the center.
- 33: Thirty-three dots in a horizontal line with four dots above the center.
- 34: Thirty-four dots in a horizontal line with five dots above the center.
- 35: Thirty-five dots in a horizontal line with six dots above the center.
- 36: Thirty-six dots in a horizontal line with seven dots above the center.
- 37: Thirty-seven dots in a horizontal line with eight dots above the center.
- 38: Thirty-eight dots in a horizontal line with nine dots above the center.
- 39: Thirty-nine dots in a horizontal line with ten dots above the center.
- 40: Forty dots in a horizontal line with one dot below the center.
- 41: Forty-one dots in a horizontal line with two dots below the center.
- 42: Forty-two dots in a horizontal line with three dots below the center.
- 43: Forty-three dots in a horizontal line with four dots below the center.
- 44: Forty-four dots in a horizontal line with five dots below the center.
- 45: Forty-five dots in a horizontal line with six dots below the center.
- 46: Forty-six dots in a horizontal line with seven dots below the center.
- 47: Forty-seven dots in a horizontal line with eight dots below the center.
- 48: Forty-eight dots in a horizontal line with nine dots below the center.
- 49: Forty-nine dots in a horizontal line with ten dots below the center.
- 50: Fifty dots in a horizontal line with one dot above the center.
- 51: Fifty-one dots in a horizontal line with two dots above the center.
- 52: Fifty-two dots in a horizontal line with three dots above the center.
- 53: Fifty-three dots in a horizontal line with four dots above the center.
- 54: Fifty-four dots in a horizontal line with five dots above the center.
- 55: Fifty-five dots in a horizontal line with six dots above the center.
- 56: Fifty-six dots in a horizontal line with seven dots above the center.
- 57: Fifty-seven dots in a horizontal line with eight dots above the center.
- 58: Fifty-eight dots in a horizontal line with nine dots above the center.
- 59: Fifty-nine dots in a horizontal line with ten dots above the center.
- 60: Sixty dots in a horizontal line with one dot below the center.
- 61: Sixty-one dots in a horizontal line with two dots below the center.
- 62: Sixty-two dots in a horizontal line with three dots below the center.
- 63: Sixty-three dots in a horizontal line with four dots below the center.
- 64: Sixty-four dots in a horizontal line with five dots below the center.
- 65: Sixty-five dots in a horizontal line with six dots below the center.
- 66: Sixty-six dots in a horizontal line with seven dots below the center.
- 67: Sixty-seven dots in a horizontal line with eight dots below the center.
- 68: Sixty-eight dots in a horizontal line with nine dots below the center.
- 69: Sixty-nine dots in a horizontal line with ten dots below the center.
- 70: Seventy dots in a horizontal line with one dot above the center.
- 71: Seventy-one dots in a horizontal line with two dots above the center.
- 72: Seventy-two dots in a horizontal line with three dots above the center.
- 73: Seventy-three dots in a horizontal line with four dots above the center.
- 74: Seventy-four dots in a horizontal line with five dots above the center.
- 75: Seventy-five dots in a horizontal line with six dots above the center.
- 76: Seventy-six dots in a horizontal line with seven dots above the center.
- 77: Seventy-seven dots in a horizontal line with eight dots above the center.
- 78: Seventy-eight dots in a horizontal line with nine dots above the center.
- 79: Seventy-nine dots in a horizontal line with ten dots above the center.
- 80: Eighty dots in a horizontal line with one dot below the center.
- 81: Eighty-one dots in a horizontal line with two dots below the center.
- 82: Eighty-two dots in a horizontal line with three dots below the center.
- 83: Eighty-three dots in a horizontal line with four dots below the center.
- 84: Eighty-four dots in a horizontal line with five dots below the center.
- 85: Eighty-five dots in a horizontal line with six dots below the center.
- 86: Eighty-six dots in a horizontal line with seven dots below the center.
- 87: Eighty-seven dots in a horizontal line with eight dots below the center.
- 88: Eighty-eight dots in a horizontal line with nine dots below the center.
- 89: Eighty-nine dots in a horizontal line with ten dots below the center.
- 90: Ninety dots in a horizontal line with one dot above the center.
- 91: Ninety-one dots in a horizontal line with two dots above the center.
- 92: Ninety-two dots in a horizontal line with three dots above the center.
- 93: Ninety-three dots in a horizontal line with four dots above the center.
- 94: Ninety-four dots in a horizontal line with five dots above the center.
- 95: Ninety-five dots in a horizontal line with six dots above the center.
- 96: Ninety-six dots in a horizontal line with seven dots above the center.
- 97: Ninety-seven dots in a horizontal line with eight dots above the center.
- 98: Ninety-eight dots in a horizontal line with nine dots above the center.
- 99: Ninety-nine dots in a horizontal line with ten dots above the center.
