

A 10x10 grid of 100 small dot patterns. Each pattern consists of 10 dots arranged in a 2x5 grid. The dots are either present (black) or absent (white), representing a binary digit (0 or 1). The patterns are arranged in a grid that visually represents the binary numbers 0000000000 through 1111111111, which correspond to the decimal numbers 0 through 99.
