

The image displays a 10x10 grid of 100 Braille characters. Each character is composed of dots on a 3x3 grid, with the number of dots varying from 1 to 9. The dots are arranged in a way that each character is unique and visually distinct from the others in the grid. The grid is organized into 10 rows and 10 columns, with each row containing 10 characters and each column containing 10 characters. The characters are arranged in a way that they are easy to distinguish from one another, even when viewed at a glance.
